

**DST-SERC SPONSORED PROJECT POSITIONS IN DEPARTMENT OF
COMPUTER SCIENCE AND ENGINEERING AT IIT ROPAR**

Department of Computer Science and Engineering at IIT Ropar is looking for two exceptional candidates to join the DST-SERC sponsored research project on 'Approximation algorithms for NP-hard optimization problems'.

- **Research associate -III, one position:** Educational qualifications: Ph.D. in Computer Science and Engineering or related area with high quality research publications in the project related research area or M.E. / M.Tech. With 3 years research experience and high quality publications in the design of algorithms and large scale discrete optimization system or B.Tech. With 5 years experience in areas listed above. Salary @ Rs. 24,000 per month. Age limit is 35 years.
- **Junior research fellow (P), one position:** Educational qualifications: Master's or B. Tech degree in Computer Science and Engineering or a related discipline with demonstrated research experience in algorithm design and discrete optimization. Programming experience is a must. Parallel programming experience in high performance computing systems desirable. Salary @ 18,000 per month. Age limit is 28 years.

Interested applicants may send a current CV along with the names of three referees to Dr. Daya Gaur at daya@iitrpr.ac.in . Applications received after Jan 26, 2012 may not receive any consideration. Please feel free to email daya@iitrpr.ac.in in case of any queries.
