d) if so, whether the Government has taken any action for detailed enquiry;	N.A.
e) whether the Government received representation from Member of Parliament requesting to conduct enquiry regarding death of Fathima Latheef in IIT Chennai Hostel;	N.A.
f) if so, the action taken thereon; and	N.A.
g) whether the Government proposes to establish an effective system for enquiry and action on the complaints regarding mental harassment?	N.A.

9) Rajya Sabha provisionally admitted Question diary No. S1334 to be replied on 21.11.2019 regarding admission of tribals in IITs / IIMs.

This is with reference to your email dated 16.11.2019 on the subject cited above, the required information in respect of IIT Ropar is as under:

Text of question	Reply of the Institute
a) the percentage of women and students from backward castes enrolled across various fields of study, including but not limited to Science, Technology, Engineering and Mathematics (STEM) at the undergraduate and postgraduate levels	The percentage of women to total students at undergraduate and postgraduate level is 14.7% and backward caste is 27%
b) the percentage of backward caste students and women students in the top 5 universities as per the National Institutional Ranking Framework	Not applicable
c) the drop-out rates among backward caste and women students at the level of undergraduate and postgraduate levels	No. of students drop out in women is 6 and backward castes is 6 in both undergraduate and postgraduate level.

d) if the academic performance of women and students from backward castes is at par with other students?	Yes

10) Rajya Sabha Unstarred Question No. 551 regarding Tenure tracking system in IITs asked by Prof. M.V. Rajeev Gowda for answer on 21.11.2019 .

This is with reference to your email dated 16.11.2019 on the subject cited above, the required information in respect of

Text of question	Reply of the Institute
a) whether Government propose to introduce the tenure track system for hiring and promotion of Assistant Professors in Indian Institutes of Technology (IITs) across the country	The Institute has not followed tenure track system for hiring and promotion of Assistant Professors in the ongoing faculty selection. **However after the decision of IIT Council and orders from the MHRD the Institute is likely to introduce tenure track system for hiring**.
b) if so, the reasons therefore	Does not arise as of now
c) the details of seed funding that would be provided to these Assistant Professors for research purposes, institute-wise	The existing CPDA grant can be extended to these new entrants after implementing tenure track system. Further the institute can also think of ISIRD grant for the proposals submitted by these entrants. We will send the final reply to the Ministry after approval.
d) the details of the infrastructure of all the IITs, including electricity connection, internet connectivity, number of functional computers and number of fully functioning science labs with its capacity, institute-wise; and	The institute has shifted to its permanent campus which is having 500 acres of land in which academic and administrative buildings are built. These buildings are facilitated with modern amenities, elevators and good furniture. All the lecture halls are provided with a sophisticated Audio-Video system. The institute is having a total of 4GBPS network facility to cater to the whole community of the institute. Further the whole campus is supported with Wi-Fi facilities. The institute is having electricity connections one 4001 kVA for permanent campus and 888.8 kVA for the transit campus. The institute has 17 science labs to cater to undergraduate and postgraduate students and that can accommodate a total of 350 students at a time. The institute has a total of 1608 functional computers to cater to the requirements of the institute. The institute is having hostel accommodation for 2300 students in Permanent and Transit Campus. Further these hostels are supported by four messes which can cater the students' dinning. The institute also has residential facilities for its faculty and staff members. The institute has 2 Guest Houses to cater to the needs of the visitor and guests on campus. In addition to that the institute has both indoor and outdoor sports facility for the students. Finally the institute has a utility block wherein bank, post office and other shops are there to cater to the daily needs of the students, faculty and staff.
e) the rationale behind setting the upper age limit as 35 for an Assistant Professor?	This is as per the prevailing practice and further all the prescribed prerequisites are expected to be fulfilled at around 33 years of age and to enable the candidate to apply for the post the age criteria of 35 years was kept.

IIT Ropar is as under:
