Advertisement for Recruitment of Project Staff

Applications are invited from eligible and motivated candidates for the post of Project assistant in the Department of Chemical Engineering, IIT ROPAR, under the research project funded by the Defense Research and Development Establishment (DRDE).

- **Available Position:**

1. Project Assistant

No. of Positions: 1

Essential Qualifications:

- B.Tech/B.Sc. in Chemical Engineering/ Environmental Engineering/ Chemistry/ Biotechnology or a relevant discipline.

Desirable Qualifications:

- Experience in research related to wastewater.
- Experience in experimental design, characterization techniques, and scientific reporting.

Salary: 20,000/- + HRA (as applicable)

- **Project Description:**

The project focuses on “**biological wastewater decontamination using the nanobubble technology**”. Selected candidate will be involved in experimental work, data analysis, report preparation, publication of research findings, and other project-related activities.

- **Duration:**

The appointment is purely temporary and co-terminus with the project. The initial appointment will be for 1 year, with the possibility of extension based on satisfactory performance and project requirements.

- **How to Apply:**

Interested candidates should send the following documents as a single PDF file:

- Detailed Curriculum Vitae (CV)
- Educational certificates and mark sheets
- Relevant experience certificates
- Brief statement of research interests

Applications should be emailed to:

Dr. Neelkanth Nirmalkar (PI of the project)

Associate Professor

Department of Chemical Engineering

IIT ROPAR

Email: neel.lab86@gmail.com

Last Date for Application: 06/July/2026

- **Selection Process**

Shortlisted candidates will be informed via email and called for an interview (online/offline). No TA/DA will be paid for attending the interview.
