

Steps for resetting LDAP password (Single Sign on for all internal applications MOODLE, Booking Portal etc)

Method-1 Through CBS (Booking Portal):

1. Open the booking portal at <http://cbs.iitrpr.ac.in> , click on “I Forgot My Password” to reset your password.

2. Fill all the necessary fields as shown in screenshot below, by default your username is the name before @ of your IITRPR mail account with no special characters and default password is iitropar

Password Change Page

New password must be 8 characters longer and have at least:

one capital letter, one lowercase letter, & one number.
You must use a new password, your current password can not be the same as your new password.

Ldap Username: ← Put your LDAP username here

Current password: ← Put your current password which is iitropar

New password: ← Put your new password

New password (again): ← confirm your new password

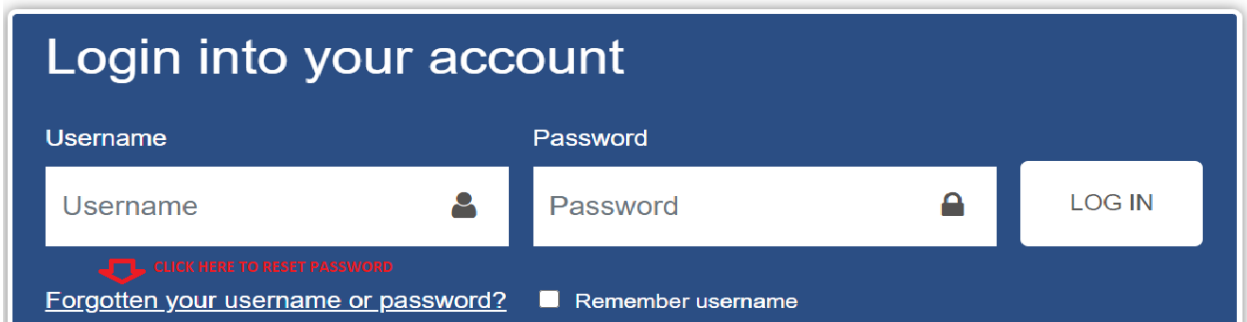

Click on change password button →

Method-2 Changing password through MOODLE

1. Open Moodle servers <http://medh2.iitrpr.ac.in>, <http://medh3.iitrpr.ac.in>, <http://medh4.iitrpr.ac.in>

2. Click on Login and then click on Forgotten your username or password to reset your password (as shown in screenshot)

3. Fill all the necessary fields as shown in screenshot below, by default your username is the name before @ of your IITRPR mail account with no special characters and default password is iitropar

Password Change Page

New password must be 8 characters longer and have at least:

one capital letter, one lowercase letter, & one number.
You must use a new password, your current password can not be the same as your new password.

Ldap Username: ← Put your LDAP username here
