

Logging in and creating quiz in Moodle

1. Login into MOODLE (<http://www.iitrpr.ac.in/moodle>) using your credentials.

Click on **Advanced** tab and then click on **Proceed to www.iitrpr.ac.in**

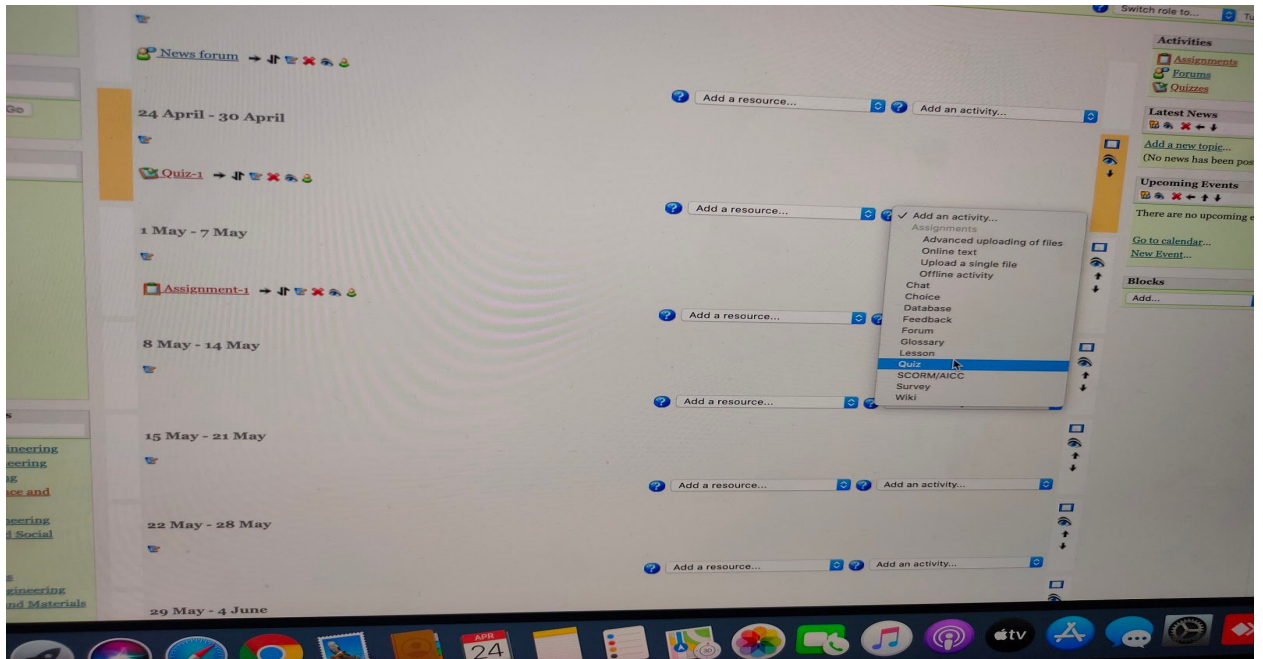

2. Go to Your Course

The screenshot shows the Moodle course interface for 'Test Course'. The top navigation bar includes the course name and a 'Turn editing on' button. The main content area is divided into three columns: 'Activities' (Forums, Quizzes), 'Weekly outline' (a calendar view showing dates from April to July), and 'Administration' (a list of management tools like Settings, Assign roles, Grades, etc.). The 'Turn editing on' button is highlighted with a red circle, indicating the next step in the process.

3. Click on top right corner on the tab "Turn editing on"

This screenshot shows the Moodle course page after the 'Turn editing on' button has been clicked. The interface is now in 'editing mode', with various icons appearing next to the course elements. The 'Turn editing on' button is highlighted with a red circle, and a red circle is also drawn around the top right corner of the page, indicating the next step in the process.

4. Click on “ADD an Activity” tab in the current week and click on “Quiz”.

5. After clicking on **Quiz** a window like shown below will open:
