

## **Rolling Admissions: Ph.D. Program in Physics**

The Department of Physics, IIT Ropar is currently accepting applications for its Ph.D. program on a rolling basis from candidates who hold fellowships such as CSIR, UGC, DST INSPIRE, or who are self-sponsored through external or industry funding.

### **Eligibility Criteria:**

- Applicants must hold a Master's degree (M.Sc.) in Physics, Applied Physics, Theoretical Physics or Master of Technology (M.Tech.) degree having Physics background, or a Bachelor's degree (B.E./B.Tech.) in any branch of Engineering, including Engineering Physics.
- Candidates must have secured first class or at least 60% marks in their final qualifying degree, 55% marks for SC/ST.
- For further details for institutional criteria please visit PhD brochure ([link](#)).

### **Application Process:**

- Please email the following documents to [office-ph-1@iitrpr.ac.in](mailto:office-ph-1@iitrpr.ac.in):
- Curriculum Vitae (CV)
- Degree certificates and mark sheets
- Scanned copy of fellowship approval certificate (if applicable)

Additionally, prospective students are encouraged to contact relevant faculty members directly to discuss possible research interests. If a faculty member expresses interest in your application, you will be invited for an interview and notified of the details via email.

Candidates who do not meet the rolling admission criteria may apply through the regular admission process, which is conducted twice a year.
