Applications are invited from Indian nationals for the 2 positions of **Junior Research Fellows (JRF)** to work on DHI sponsored project titled "**Development of Efficient Battery Thermal Management System for Two and Three Wheeler EV application through design of innovative Packaging Materials**".

Post-1: Junior Research Fellow (JRF)

Position: 2.

Duration: 1 years or till the completion of the project, whichever is earlier.

Emoluments: As per DST rules.

Essential Qualifications:

Post Graduate degree (M.Tech.) in Mechanical/ Energy Engineering/Materials with a valid GATE score.

OR

Graduate degree (B.Tech.) in Mechanical/ Energy Engineering/Materials with a valid GATE score.

Desirable: Since the project involves development of efficient battery thermal management system, the candidate earlier worked on experimental/simulations of battery system for electrical vehicles will be given preference. Out of these 2 positions, we are looking for JRFs who can help us to perform experimental (1 position) and computational (1 position) aspects of the project work.

The walk-in interview for these posts will be conducted on **15 January, 2021** through online/offline mode. Please send an e-mail at prabhat@iitrpr.ac.in, sspadhee@iitrpr.ac.in with **DHI project on BTMS** in the subject line of your email before 13 Jan 2021 to attend the interview. Please include following documents in your email.

- A one page cover letter describing your suitability to the post.
- Curriculum Vitae with complete qualification and experience details.
- Copy of valid GATE score for candidates with B.Tech. degree.

The shortlisted candidates shall be called for interview. Please note that no TA/DA will be given to the candidates attending the interview.
