ABOUT THE INSTITUTE

The Indian Institute of Technology Ropar started functioning from the academic year 2008-09 from the campus of IIT Delhi, the mentor institute. The foundation stone laying ceremony was held on 24 February 2009. The Indian Institute of Technology Ropar was initially registered under the Societies' Registration Act 1860 on 29 July 2009. Subsequently, the Institute has been established by Act of Parliament namely, the Institutes of Technology Act (Amendment) Act 2012 (No. 34 of 2012). The Institute has shifted to its permanent campus in 2018 and currently operates from its permanent campus. The permanent campus of IIT Ropar is spread across 501 acres of land located in Rupnagar in the lap of nature at the banks of river Satluj. The Institute has been awarded the 5 Star GRIHA (Green Rating for Integrated Habitat Assessment) rating, one of the highest national ratings for Green Buildings. A total of 2,15,739 square meters of area is dedicated for academic and administration blocks along with accommodation for staff and faculty along with sports and hostel facilities. All hostels are well furnished along with common rooms for recreational activities for each hostel. The campus also has an expansive and airy common dining area. Naturally, there is no compromise with facilities regarding academics and laboratories for undertaking practical or doing some research. New state-of-the-art equipment are available for the students to use in labs. Apart from these academic facilities, other perks of being at IIT ROPAR include excellent sports facilities (different play fields for each sport such as cricket, football, tennis, badminton, basketball, volleyball, etc), utility block, student activity centre (equipment and rooms for the various club activities and other student interest group activities), gymkhana, air-conditioned libraries with plethora of books, cafeterias, gymnasium, medical centre with top notch 24x7 medical facilities. The Indian Institute of Technology Ropar is ranked 22nd in the engineering category in NIRF 2023 (National Institutional Ranking Framework) and overall ranked 33rd. IIT Ropar is committed to provide state-of-the-art technical education in a variety of fields. The Institute is facilitating transmission of knowledge in keeping with the latest developments in pedagogy. At present, the Institute offers the degree of Bachelor of Technology in Artificial Intelligence and Data Engineering, Civil Engineering, Chemical Engineering, Computer Science & Engineering, Electrical Engineering, Engineering Physics, Mechanical Engineering, Mathematics & Computing and Metallurgical & Materials Engineering. It offers the MSc degree in Physics, Chemistry, Mathematics and M.Sc in Data Science (jointly with IIM Amritsar). It offers the degree of Master of Technology in Computer Science and Engineering, Electrical Engineering, Mechanical Engineering, Chemical Engineering, Civil Engineering, Artificial Intelligence and Biomedical Engineering. All the departments of the Institute offer a doctoral degree. The Integrated Teacher Education Programme (ITEP) is a new addition to its ever-expanding vision of inclusive professional and need-based education.

The Institute has held 12 convocations so far. The 2020 entry batch of UG students is about to receive their degrees in the 13th convocation. Presently the Institute has 1517 UG students, 526 PG students, 14 Dual Degree students and 925 PhD students. Apart from B.Tech degrees the Institute has also award M.Tech, MSc. & PhD degrees The overall academic system of IIT Ropar is designed to provide science-based engineering education that will produce quality engineers and scientists. IIT Ropar has implemented a new curriculum from 2017. The curriculum provides broad based knowledge and simultaneously builds a temper for lifelong learning and exploration. A set of science and general engineering courses forms part of the syllabus of the first-year undergraduate students. These courses provide a foundation for further discipline specific topics. In addition to overhauling its UG programs, IIT Ropar has introduced new PG streams. Career Development and Placement Cell, is actively involved in organizing practical training for the undergraduate students and has been playing a catalytic role in finding placements for its final year students. IIT Ropar has undertaken the task of redefining its vision and mission and of putting a strategic plan to achieve

them into action. IIT Ropar aims to promote research in interdisciplinary areas. The Institute also undertakes a number of research and consultancy projects that are sponsored by various funding agencies, including the Government and Industry. The Institute provides ample funds to the departments and faculty members for the upgradation of laboratories and creation of research facilities. This has enabled our faculty members to take up research projects in frontier and emerging areas of science and technology. Institute has a counselling cell to monitor the mental well-being of the students. Its mission is to promote well-being, aiding to develop better understanding of the self, to grow both intellectually and emotionally, to be more satisfied and productive and improve the depth and quality of your life. To hike sound mental health, we provide help in dealing with emotional and behavioural problems such as guilt, anxiety, stress, lack of confidence, low self-esteem, depression and internet addiction of any sort, dependency, personal problems in relationships such as co-dependency, rejection, separation homesickness etc. Counselling Cell does foster and inculcating life skills to make better adjustments and enriching healthy relationships. The campuses of IIT Ropar are well equipped with all required facilities. Classrooms fitted with multimedia, faculty offices and administrative wings are all in place. There are separate hostels for boys and girls. These hostels are equipped with modern mess units. Faculty recruitment, setting up of laboratories and other support facilities are done on a continuous basis to keep up with the progress.

The Integrated Teacher Education Programme (ITEP) is a new addition to its ever-expanding vision of inclusive professional and need-based education.

Motto: Deploy our intellect on the right path

Mission To foster a transformative learning environment and a culture of excellence enabling creation of knowledge and development of socially responsible, enterprising leaders contributing significantly to national progress and humanity.

Vision To be a trendsetter among the technology universities born in this millennium

About the Programme

The Integrated Teacher Education Programme (ITEP)is a 4-year integrated programme under which the students will have a Dual Major undergraduate degree in a specific discipline along with B.Ed. Keeping in view the mandate of the National Education Policy (NEP) 2020 and subsequent initiatives by the National Council for Teacher Education (NCTE) (Ministry of Education, Government of India, New Delhi), the Department of Education at this institute offers **B.Sc-B.Ed (Secondary Stage)** with Majors in three different disciplines, namely, Physics, Chemistry, and Mathematics. Apart from preparing teachers for the reconfigured school education system in the country, the ITEP will help impart disciplinary knowledge in the abovementioned subjects so that the students will gain in-depth knowledge. It would also ensure their admission to higher studies in the disciplinary streams, including higher professional education.

The ITEP at IIT Ropar is of 4-year duration across eight semesters of study. It is a Dual-Major Bachelor's Degree programme, with one Major in Education and the other in any of the following three disciplines: Physics, Chemistry, and Mathematics. In addition, it intends to develop among student-teachers ethics of social engagement, and capacities such as problem-solving, critical and creative thinking, communication skills, ethical and moral reasoning, etc.The students joining this programme shall specialize in the secondary stage of school education, which will qualify them to become teachers at that stage. The curriculum and detailed syllabi can be accessed by visiting https://www.iitrpr.ac.in/.The B.Sc-B.Ed programme is credit-based and thus offers the flexibility to progress at one's own pace. A minimum level of performance is essential for satisfactory progress.

Admission to the Programme

Admission to the programme will be made through the National Common Entrance Test (NCET) conducted by the National Testing Agency (NTA). The results of the NCET will be used for admission. The seat matrix of the three Disciplinary Majors under B.Sc-B.Ed programme of IIT Ropar is given in Table 1.

Table 1: Seat Matrix of the B.Sc-B.Ed (Secondary) according to Disciplinary Majors at IIT Ropar

Eligibility Requirement (ER) and Minimum Educational Qualification (MEQ)

Candidates who have appeared NCET and have secured a valid score are eligible to apply for B.Sc-B.Ed 2024 admission at IIT Ropar, provided they satisfy the following:

➢ The candidates must have passed the class XII Examinations in Science Stream with **Physics, Chemistry and Mathematics** in the combination of subjects.

➢ They must have appeared for the test in **Physics, Chemistry and Mathematics** as the domain subjects in the NCET conducted by the National Testing Agency (NTA).

➢ Candidates must have secured at least 50% marks in aggregate or equivalent grades in class XII.

➢ Proof of having passed Class XII and having secured requisite marks must be submitted at the time of submitting the application. Original documents must be furnished to IIT Ropar at the time of admission.

➢ Foreign nationals with Indian education are eligible to apply, subject to the policy of the Institute.

➢ A candidate should have appeared in the Class XII (or equivalent) examination for the first time in either 2023 or 2024, with Physics, Chemistry, and Mathematics as compulsory subjects.

➢ Candidates should have been born on or after October 1, 1999. Five years of age relaxation is given to SC, ST, and PwD candidates, i.e., these candidates should have been born on or after October 1, 1994.

For candidates satisfying the ERs, MEQs and other necessary requirements, based on their NCET score, seats will be allotted without any additional interview or written test. At the time of admission, all admitted candidates may have to submit a Physical Fitness certificate from a registered medical practitioner in the prescribed form to IIT Ropar. The admitted candidates may also have to undergo a Physical Fitness test by a medical board constituted by the Institute. In case candidates are not found physically fit to pursue their chosen programme of study, their admission is liable to be cancelled.

If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case, such a certificate is not provided, the decision taken by IIT Ropar will be final.

Reservation of Seats

Indian nationals belonging to different categories are admitted under the seats reserved for them in accordance with the rules prescribed by the Government of India.

Under each Disciplinary Major, a certain number of seats, as listed in Table 1, is reserved for candidates belonging to various categories. Candidates who seek admission under the SC or ST category must submit the requisite certificates issued by a competent authority as specified in Annexure 2. Candidates who seek admission under the OBC-NCL or EWS Category must submit an OBC-NCL or EWS Certificate issued by a competent authority as specified in Annexure 2, in a format similar to that shown in Annexure 3 for OBC-NCL and Annexure 4 for EWS. Validcertificates for OBC-NCL or EWS issued on or after April 1, 2023, should be submitted for application processing. However, candidates securing seats under the OBC-NCL or EWS category may be required to show a valid certificate to IIT Ropar at the time of joining.

Candidates who seek admission under the PwD category must submit a disability certificate (refer to Annexure 2) or a Unique Disability Identification (UDID) certificate. Benefits of reservations would be given only to those who have benchmark disability, i.e., not less than 40% impairment,

irrespective of the type of disability. Such candidates must submit, along with the filled-in Application Form, the Certificate of Disability from a Government Medical Board and should be fit to pursue the Programme. The certificate should preferably be in the format given in Form 1 or Form 2, or Form 3 (as applicable) in the Rights of Persons with Disabilities Rules, 2017. The disability percentage of candidates selected for admission in the PwD category may also be required to be certified by a Medical Board, duly constituted by the Admitting Institute. For additional details, refer to http://disabilityaffairs.gov.in/content/page/guidelines.php webpage.

Candidates must note that the benefits of reservation will be given to them subject to verification of documents. If it is discovered at any stage that a candidate has used a false/fake/incorrect document or has furnished false, incorrect, or incomplete information, in order to avail of the benefits of reservation, then such a candidate shall be excluded from the admission process. In case such a candidate has already been given admission, the admission shall stand cancelled.

Application Procedure

Applications for Admissions to B.Sc-B.Ed programme at IIT Ropar must be submitted online at https://www.iitrpr.ac.in/bsc-bedby paying a non-refundable application fee of ₹750/-. Only candidates of the NCET 2024 Result List will be eligible to apply for admission. Only one duly completed Application Form should be submitted. The candidates are requested to verify the details on the candidate portal (https://www.iitrpr.ac.in/bsc-bed)before the start of the admission process and contact IIT Ropar via email (), in case of any discrepancy. The list of documents required for applying is given in Annexure 5. Based on the required Test Paper(s) (Domain-specific) qualified, a candidate can apply to **one or more Disciplinary Majors** under B.Sc-B.Ed programme covered under that Test Paper(s), subject tothe fulfilment of the MEQs and ERs of IIT Ropar. All Disciplinary Majors to which the candidate is seeking admission must be selected, in the order of preference, during the application filling. The candidates will not be able to change their choices or their preferences after the last date of application submission.

Admission Procedure

An Applicant will be considered for admission only to the Disciplinary Major according to choices filled in the Application Form. There will be three rounds of counselling, in the normal case. If seats remain vacant, additional rounds may be conducted. Applicants receiving an offer in any of the rounds are required to login at https://www.iitrpr.ac.in/bsc-bed within the stipulated time and choose one of the three options viz. **(a) Accept and Freeze (b) Accept with Upgrade (c) Reject and Quit.**

- By choosing "Accept and Freeze", the Applicant accepts the offered seat and would NOT like to upgrade to better preferences in the subsequent rounds.
- By choosing "Accept with Upgrade", the Applicant accepts the offered seat but would like to upgrade to better preferences in the subsequent rounds.
- By choosing "Reject and Quit", the Applicant rejects the offered seat and would NOT like to continue in the admission process. The seat offered to the Applicant will be cancelled, and the Applicant will not be considered in further rounds of the admission process.
- If an applicant does not exercise any of the above three options at the end of any counselling round, his/her candidature stands automatically rejected.

When an applicant chooses the "Accept and Freeze" or "Accept with Upgrade" decision for the first time, the Applicant will be directed to an online payment portal to pay the Seat Booking Fee of ₹10,000/- for General/OBC-NCL/EWS category and ₹5,000/- for SC/ST/PwD category within the stipulated time.

➢ Based on the order of preferences given by the candidates in the Application Form and the corresponding score in the Merit List, the First Admission List will be prepared on or before a date (*to be announced later*). The candidates are required to login to the portal to view their status.

➢ Applicants who are offered seats in the First Round must login to the Candidate Portal and choose one of the three options mentioned above by a date (*to be announced later*).

➢ If seats remain vacant after the first round of admission, a Second Admission List will be prepared on or before a date (*to be announced later*). The candidates who chose 'Accept and Upgrade' in the previous round are required to login to the portal to view their current seat allocation.

➢ Applicants who are offered seats in the Second List must login to the Candidate Portal and choose one of the three options mentioned above by a date (*to be announced later*).

➢ If seats remain vacant after the second round of admission, a Third Admission List will be prepared by a date (*to be announced later*). The candidates who chose 'Accept and Upgrade' in the previous round are required to login to the portal to view their current seat allocation.

➢ Applicants who are offered seats in the Third List must login to the Candidate Portal and choose one of the three options mentioned above by a date *(to be announced later).*

➢ The Applicants who are offered seats can CANCEL the offer by logging into Candidate Portal and choosing "Withdraw". This option would be available till the end of the second round of counselling. The Seat Booking Fee would be refunded after deducting a Processing Fee of ₹1,000/.

➢ Offer letters from IIT Ropar will be available for download by the candidates through the Candidate Portal after the final round of admissions. The applicants who are offered a seat should report to IIT Ropar along with the required documents, as per their offer letter.

Important Points to Note:

❖ Applicants are requested to periodically check the IIT Ropar website (https://www.iitrpr.ac.in/bsc-bed) for updates and the Candidate Portal for the status of their applications. They should also check the messages sent to their registered e-mail ID.

❖ Incomplete applications or applications that are not supported by valid documents will be rejected. The application fee, if paid, would not be refunded for applications that are rejected. The Application Form for admission will not be considered if the fee is not received by IIT Ropar before the application deadline. No intimation regarding the rejection of the application form will be sent to the candidates.

❖ Applicants who are not allotted seats in a round may get seats allotted in the subsequent rounds. Applicants who fail to accept seats offered at any stage will not be considered further in the admission process.

❖ Last date for the payment of the fees for the seats allotted in each round cannot be relaxed in any case. If the candidate does not accept the seat offered or payment is not made within the stipulated period, the offer gets automatically cancelled. No other requests or correspondence on this matter will be entertained.

❖ Candidates should note that being on the NCET Result List neither guarantees nor provides any automatic entitlement for admission. Admissions shall be made in order of merit and depending on the number of seats available at IIT Ropar.

❖ The offer of admission to a candidate made during the seat allocation process would remain provisional, subject to the fulfilment of all the requirements stipulated by IIT Ropar as per the fixed deadlines.

❖ Payment has to be made using credit card/debit card/net banking/UPI (additional Bank charges may apply depending on the mode of payment).

- ❖ With regard to the interpretation of the provisions on any matter not covered in this Information Brochure, the decision of IIT Ropar shall be final and binding on all the parties concerned.
- ❖ NTA has the overall responsibility of conducting NCET 2024. In case of any claims or disputes related to NCET 2024, the NTA may be consulted.
