<b>SC</b>	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Institute criteria
<b>ST</b>	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Institute criteria
<b>EWS</b>	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Institute criteria
<b>PWD</b>	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Minimum two years of experience and Institute Criteria and atleast one publication/patent	Institute criteria

**Note:**

1. For applicants with an M.Tech./M.S. under the Regular category, the GATE score (not necessarily valid) is used as a shortlisting criteria.
2. For candidates having only a B.Tech degree under the Regular category, the GATE score must be valid (at the time of admission).
3. Direct applicants who are not from CFTIs require a valid GATE score.
4. For Staff/Project Staff, any additional institute criteria also apply.
5. The GATE and the qualifying degree of all the applicants must be in CS or a related area.
