CIRCULAR

As decided in the 34th Senate (URGENT) Meeting (held through virtual mode), Summer Vacation 2020 is declared from 1st April to 29th May 2020 for all the students. However, this time the vacation will be in a different mode in which uploading of courses online by the faculty and learning by the students would continue till all the theory courses are completed. The research scholars are advised to stay back in their respective places until further notification. The details of the academic events for the rest of the second semester of 2019-20 will be sent shortly.
