Dated: 12.03.2020

Circular

Every student who has gone home has to undergo mandatory medical screening once they arrive at the campus (Transit Campus and Main Campus). Please avoid coming to the campus during 11:00PM to 7:00AM. Special medical screening will be carried out from 7:00AM to 11:00PM only at the Entry Gate (Main Campus) and Mercury hostel (Transit Campus).

On their arrival, students should obtain a medical/OPD slip from the available doctors at the respective place and after that he/she will be allowed to go to the hostel. On production of medical slip to the security guard/caretaker, he/she will be permitted to go to their respective rooms.

In case any student is suffering from fever, cold, sore throat, body ache, dry cough and respiratory distress (breathing difficulty) in last two-three days, the student may contact the nearest medical facility in their home place and remain at home quarantine for 14 days from the appearance of symptoms.

In case of any suspected case the students will be examined by the team of doctors at the Entry Gate (Main Campus) and Mercury hostel (Transit Campus) and kept under the 14 days quarantine, if required. Strict disciplinary action will be taken, including suspension from hostel, if any student goes to hostel without medical check up.
