Dear

This has reference to your RTI application dated 22.08.2022 received under RTI Act, 2005, the desired information is as under:

S.No.	Information Asked	Reply
1.	Does part time PhD candidate of IIT Ropar need to do coursework in campus (offline mode) by taking one year break from working organisation when the 2022 Part time admission brochure states there is no leave required for attending courses and also NOC format didnot mention any leave requirement? As per the offer letter issued for all part time PhD candidate, residential requirement of minimum 4months is applicable for coursework or research work?	At present the course work is in offline mode and no leave is required. However the candidate has to attend all the registered courses in a semester compulsorily. Once the class is over they can go back to their organisation. For part-time candidates four months residential requirement is required for the research work at the Institute.

If you are not satisfied with the aforesaid reply, you may prefer an appeal to Registrar and Appellate Authority, Indian Institute of Technology Ropar, Rupnagar – 140001, Punjab within 30 days of receipt of this reply.

In the IIT Ropar Advertisement No. IITRPR/FACRECT/03/2021 (Special Recruitment drive for faculty positions in SC/ST/OBC/EWS categories) the candidates with 3 years of post PhD experience are only eligible to apply. However, in previous such advertisements for Assistant Professors for all categories, candidates with lesser experience were also eligible (either for the faculty on contract post or for Assistant Professor (Grade II) post). Based on this, please answer the following:				
1	Why is IIT Ropar discriminating with regards to Special Drive candidates as compared to past cycles of recruitments for all categories?.	The posts are filled on the basis of the requirements in each department. Further it was of the opinion of the institute to hire experienced faculty at the level of Assistant Professor. Hence, the post of Assistant Professor Grade-I was advertised.		
2.	The decision to only advertise the post of Grade I Assistant Professors in Special Drive for reserved categories was taken by which committee or authority? Especially, when in all past advertisements for Assistant Professors (which were open for all categories), candidates with less than 3 year of post PhD experience were eligible to apply for Assistant Professor (on contract or Grade II position). Please share minutes of meeting of any such meeting at the Institute level where this decision was taken so that the responsibility for such discriminatory behavior can be ascertained. Was it a unilateral decision of the IIT Ropar Director? Kindly specify so that an appropriate case may be registered in a court of law.	The decision of hiring faculty (Professor, Associate Professor and Assistant Professor) was taken during the HoDs meeting and after detailed discussions and consolidations the Director being competent authority as approved to advertise the post of Assitant Professor Grade-I Minutes of the meeting are attached in Annexure-A		
3.	If the above decision was taken by a committee of faculty members and or administrative staff then please specify the names of each member of such a committee along with the category to which each member of that committee belongs.	Information cannot be provided under Sec 8(1)(j) being personal information.		
4.	Please provide number of such candidates (with less than 3 years of post-PhD experience) who have applied against the above-mentioned advertisement and will not be shortlisted on the basis of above discrimination. Please provide data department wise.	The applications received are under scrutiny in different departments		
5.	Please provide the details of Assistant Professor (on contract / Grade II) who were recruited in the past (since the inception of the institute) in general category who had less than 3 years of post-PhD experience at the time of joining. Please provide data department wise.	Sr No	Department	No. of faculty members who joined as Assistant Professor (on contract) Gr.II

6.	Does the Institute, its Director or its HoDs have specific candidates in mind for which such a specific advertisement (unprecedented in Institutes history) was floated ?	Being a query cannot be answered.
