

## Call for Applications: PhD Position in Earthquake Risk and Engineering

(Funded by State Disaster Mitigation Fund (SDMF), Punjab)

Applications are invited from **Indian nationals** for a **PhD position (Research Scholar)** to work on the SDMF-approved research project:

□ **Title:**

**"Development of Indigenous Seismic Vulnerability And Risk Assessment (SeisVARA) Tool Tailored for the State of Punjab"**

✦ **Position:** Research Scholar

✦ **Number of Positions:** 01

✦ **Emoluments:**

- ₹37,000/- per month (consolidated) for the first two years
- ₹42,000/- per month (consolidated) for the third year
- Fourth year onwards as per Institute guidelines  
(*Hostel and mess facilities may be provided on a payment basis, subject to availability*)

🎓 **Essential Qualifications:**

- B.Tech. in **Civil Engineering**
- M.E./M.Tech. in **Structural Engineering** or **Earthquake Engineering**, with specialization in any of the following areas:
  - Structural Dynamics
  - Soil Dynamics
  - Seismic Vulnerability and Risk Analysis
  - Disaster Mitigation and Management

✓ **Desirable Skills:**

- Strong academic background
- Interest in applied earthquake risk research
- Familiarity with structural modelling software and analytical tools

✉ **How to Apply:**

Interested candidates should submit their **detailed CV, statement of purpose, and copies of academic credentials** to:

✉ [\[putul.haldar@iitrpr.ac.in\]](mailto:putul.haldar@iitrpr.ac.in)

📅 **Last Date to Apply: 20 July 2025**
