

INDIAN INSTITUTE OF TECHNOLOGY ROPAR

DEPARTMENT OF MATHEMATICS

PhD Admission January 2018

Department of Mathematics is inviting applications for Regular, Direct, Part-Time and External PhD admissions.

Research areas: Mathematical Biology, Mathematical Modelling, Nonlinear Dynamics, Differential Equations, Fluid Mechanics, Numerical Analysis, Graph Theory, Algorithm, Algebra, Optimization, Probability and stochastic process

WHY JOIN MATH@ IIT ROPAR

- Full fellowship up to 5 years for regular PhD students
- Additional financial support for conferences abroad
- High Performance Computing (HPC) facility
- Young, dynamic and world class faculty members
- Best research output among new IITs
(source: www.scopus.com, August-2017)
- Interdisciplinary areas of research
- Job placement opportunities through central placement cell
- Medical benefits as per institute rules

Last date for online application: October 16, 2017
