1.	Do the Ministry of Education have a policy or guidelines outlining the access of IITs sports infrastructure to the general public or students of other institutes to promote sport culture in India.? If yes, kindly provide a copy of the said policy or guidelines. if no, please provide policy remarks for this decision.	Not Applicable.
2.	Do the IITs have a policy or guidelines outlining the access of their sports infrastructure to the general public or students of other institute? If yes, whether its on chargeable basis or free of cost. If yes, kindly provide a copy of the said policy or guidelines. if no please provide policy remarks for this decision.	No such policy or guidelines are available with the Board for Sports Activities, IIT Ropar.
3.	If there is no such policy, are there any specific circumstances under which the general public or students of other institutes can utilize the IITs sports facilities and infrastructure? If yes, please elaborate on these circumstances and the procedure for availing such access and proivde notification in this regard, if any.	The facilities can be availed by the general public or students of other Institutes. The BOSA, IIT Ropar organizes various sports events and invites colleges/universities in the region for participating in these events.
4.	In case the general public or students of other institutes is not granted access to the IITs sports facilities, please provide the reasons for such restrictions.	As Board for Sports Activities, IIT Ropar needs to cater to the sports-related requirements of over 3,000 students and 1,000 IIT employees and their family members, with limited resources available on campus. In addition, almost daily National Sports Organization (NSO) activities also require the sports infrastructure. Considering these existing requirements, it is very difficult to cater to the general public or students of other institutes. Furthermore, handling such requests will also lead to logistics problems including security.
