Query	Reply
<p>This is against the advertisement number- 91 2017 dated- June 2017 for the position of Junior Technical Superintendent in the Department of Chemistry and Central Research Facilities for SEM-XRD and Single Crystal XRD.</p> <p>As per the advertisement, 3 positions were advertised for the above-mentioned departments from which one is for the reserved category and 2 were unreserved (with no mention about which position is reserved and which were unreserved).</p> <p>As per the result updated on the website (approx. June 2018), one candidate Mr. Sushil Kumar (SC category) in the Department Of Chemistry had already been selected.</p> <p>Another result updated on 8th August, 2018, the selected candidates for SEM-XRD and Single Crystal XRD were mentioned. In which candidate selected for Single Crystal XRD Mr. Kamlesh Satpute is also from the OBC category.</p> <p>Sir, I have a query when only 1 position is reserved out of 3 how Mr. Kamlesh Satpute (OBC) for the Single Crystal XRD has been selected as Mr. Sushil Kumar (SC) in the Department Of Chemistry had already been selected for the reserved post.</p> <p>Sir, an explanation for the selected candidate for the Single Crystal XRD is required. The selection of the candidate seems to be doubtful.</p> <p>The selected candidate must be from the unreserved category the one who qualified written - trade test together with the vast expertise of handling Single Crystal XRD along with experience in terms of years.</p> <p>The SEM-XRD and Single Crystal XRD selected candidate must be from the unreserved category rather than reserved.</p> <p>All the documents as advertisement along with results have been attached for your reference.</p>	<p>Mr. Kamlesh Satpute has been selected against unreserved category on the basis of his merit.</p>

This has reference to your online RTI application dated 20.10.2018, seeking information under RTI Act, 2005. The desired information is as under:

S.N.	Query	Reply
1.	<p>I seek following information under RTI Act 2005 in regard to reply provided by CVO IIT Ropar with F.No IITRPR/CVO/ 2018-34, dated 23/08/2018.</p> <p>The above said reply seems more like that provided by a PIO of a public authority and not by CVO of an organisation because it only provides information, without having any mention about the judgment/conclusion/decision/action taken by CVO, IIT Ropar, based on this information. In view of this please provide a copy of the judgment/conclusion/decision/ action taken by CVO IIT Ropar, based on the available information.</p>	No such information is available.
2.	<p>As per Chapter II, "ASSOCIATION OF CVOs WITH SENSITIVE MATTERS" (page 15) of CVC Vigilance Manual, Volume I, the</p> <p>CVO should not be a party to such matters over which he/she might be required, at a later stage, to sit in judgment from vigilance point of view. In spite of such instructions, the CVO, IIT Ropar was asked to investigate a complaint against himself, eventually leading to violation of principle of natural justice. Under these circumstances, please provide a copy of the relevant rules/documents justifying the fact that a CVO can conduct an investigation on complaint against himself/herself.</p>	No such information is available.
3.	<p>The CVO may please specify whether or not he has found any irregularities based on his investigation, reported in F.No IITRPR/CVO/2018-34, dated 23/08/2018. Please provide a copy of such report/document, prepared by CVO IIT Ropar, reporting these irregularities</p>	No such information is available.
4.	<p>It is clear from the above mentioned reply that Dr. Srivastava (CVO, IIT Ropar) has realised that he can not hold both HoD, Chemistry and CVO, IIT Ropar at the same time. Therefore, CVO requested higher authorities to release him from the HoD position during his CVO tenure, however his request was denied. Under these circumstances, has CVO, IIT Ropar communicated to CVC/MHRD/BoG IIT Ropar about the fact that he has been ordered by the IIT Ropar authorities to keep both CVO as well as HoD positions at the same time. A copy of such communication may be provided.</p>	No such information is available.
5.	<p>How many complaints have been received by CVO, IIT Ropar till date. Please provide a complete list of such complaints.</p>	Only one pertaining to the Tender for purchase of Metal 3D Printer.
6.	<p>How many of such complaints, mentioned in point (5), have been investigated and resolved by CVO, IIT Ropar. Please provide a complete list of such complaints.</p>	One pertaining to the Tender for purchase of Metal 3D Printer.

7.	How many of such complaints, mentioned in point (5), have been reported by CVO, IIT Ropar to CVC/MHRD GOI.	None.
8.	Please provide the requisite number of years for which the Faculty Performance Appraisal Reports of a faculty member are required for his/her appointment as CVO, IIT Ropar	Five years as informed by MHRD.
9.	As per institute records on 15/01/2016, out of three senior faculty members namely Prof. P. K. Raina, Prof. Sanjay Roy and Prof. Ramesh Garg, please provide names as well as number (headcount) of those faculty members whose Faculty Performance Appraisal Reports were not available for requisite number of years, as required for appointment of CVO, IIT Ropar	On 15.01.2016, the names of these faculty members mentioned in the query were not proposed.
10	As per Annexure 10 of F.No IITRPR/CVO/2018-34 a request was made by the Jr. Superintendent, Director office, for purchase of Director' new car. Was this request made <i>suo moto</i> by Jr. Superintendent or he was asked by some authority of the institute to do so. If he was asked by some authority of the institute, please provide designation and name of such authority as well as a copy of the communication made by such authority in this regard.	No such information is available.
11	It is evident from PIO's reply (point (1)), dated 03/10/2018, to another RTI application filed by me that a request seeking approval for purchase of Director's new car was communicated to either Chairperson, BoG IIT Ropar or to BoG IIT Ropar. Please provide an attested copy of such request made by IIT Ropar to its BoG chairperson or to BoG IIT Ropar, as the case may be.	Again your indication is wrong. Please read the contents of reply to Point (1) of RTI application dated 03.10.2018.
12	Please provide an attested copy of the response of BoG chairperson or the BoG IIT Ropar, as the case may be, to the request mentioned in point (11) above	No such information is available.

If you are not satisfied with the aforesaid reply, you may prefer an appeal to Registrar and Appellate Authority, Indian Institute of Technology Ropar, Nangal Road, Rupnagar – 140001, Punjab within 30 days of receipt of this reply.
