IIT Ropar Student Extra Curricular Activities Account Student Amenity Fee (SAF)

1. Maximum 90% of the annual Student Amenity Fund (SAF) can be utilized from the collected fee in an academic year.
2. In case of non utilization of the fund during an academic year, after keeping the SAF of that year reserved along with previous reserve, up to 10% of the total fund available as on date may be given (if required) in the succeeding academic year on recommendation from student council and approval of Dean SA.
3. Students will deposit the Amenity Fee along with the Institute fee to the Institute. Then it will transfer to Student Affairs, after which it will be further distributed into different boards / heads.
4. The Student Amenity Fee will be divided as per a meeting of Dean SA, ARSA and President Student Council at the start of Academic Year. If no such meeting is conducted, the following will be the division:
 - a. BOCA – 30% (from this amount, 50% for Zeitgeist Annual Cultural Fest and 50% for other cultural activities and equipment).
 - b. BOST – 25% (50% fest + 50% other technical clubs related activities and equipment)
 - c. BOSA – 20% (Fest, Inter Year / Inter team Tournaments)
 - d. BOLA – 10% (Activities and equipments)
 - e. ISMP – 5%
 - f. Miscellaneous – 10% (As per discretion of Dean, SA)

Financial requirements of other clubs & their activities (including Fitness Club, SPICMACAY, Snehita Well- being Cell and ODAC) / Misc. Activities can be approved by Dean SA after recommendations from respective faculty in charge, ARSA and President Student Council.

5. For organizing major events such as Cultural Fest, Technical Fest and Sports Fest, the students will generate a minimum 50% of the budget approved from SAF through sponsorship to utilize the fund as mentioned in item number 4.
6. For each purchase, Admin/Financial approval of Dean SA through faculty Advisor is required.
7. Institute reserves the right to make amendments in the policy and fee at anytime.

Dean SA / Associate Dean SA at his / her own discretion can change the structure / allocation as per requirement.
